HAPPY NEW YEAR...2019!!

We're back from Holiday Break in full swing. We hope each of our families enjoyed the much needed time off during the Holiday Season.

There are 97 school days until the last day of school. While this may seem like a long time; the days, weeks, and months will move quickly. The next few months will be filled with long days of work in preparing our scholars to display substantial growth by the end of the year.

With that being said, in the coming days there will be reminders of FPA expectations that promote a positive school culture of success and respect. In addition to school-wide events and incentives that reward Positive Behavior and Academic Growth. *Stay tuned for FPA's new website which will be unveiled next month!!*

PARENT POWERSCHOOL PORTAL

FPA Parents have access to their child's grades at any given time. Each FPA scholar has a unique student ID and password for parents to access their grades. This includes homework/classwork, participation, & special projects that may be assigned.

There's no need to wait until 5-week progress reports or the end of the quarter to monitor your child's grades. Parents should check their child's grades at minimum once per week. <https://frazierprep.powerschool.com/public/home.html>

Please email Ms. Tarpe to retrieve your log-in password. tharpe@frazierprep.org

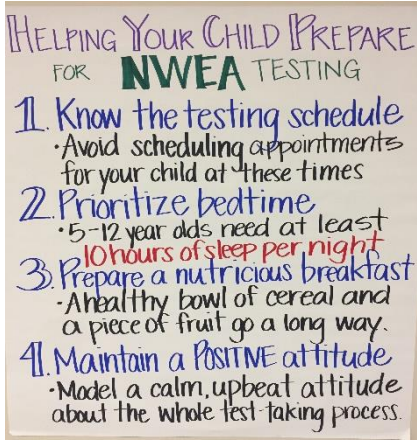

FPA SCHOLARS participate in the **Holiday Donations for a local food pantry. Scholars displayed those acts of kindness by bringing "Canned Goods for Candy Canes". Thank you everyone who contributed to this school wide initiative.**

Parent Involvement/Parent University Council

Parents are encouraged to participate fully in the education of their children. The support and cooperation of parents is the basis of their success and a vital factor in supporting a child to reach his or her full potential. Children need to know that their parents/guardians value education. Parental support provides an enormous incentive for children to strive for excellence.

Ms. Ajoyoi Mazerat is a proud parent of Frazier Preparatory Academy. Her youngest son currently a 6th grader while her eldest son is a FPA Alum (C/O 2016) who attends Urban Preparatory Academy for Young Men. Ms. Mazerat is excited to work with our parents in building better relationships and increasing parental involvement. Be sure to read Ms. Mazerat's greeting for all parents. We solicit your support in partnering with Frazier Prep's Parent Involvement Initiative. Contact Ms. Mazerat ajoyoi@yahoo.com or Ms. Tharpe to share feedback regarding Parent Involvement at FPA or to become part of the Parent University Council (PUC)
